## Helping clients grow and get better

Under the leadership of CEO Malko Ebers the company has expanded to become one of New York's premier management consulting companies.

**Global partnerships for Growth**

We represent some of the most awarded and innovative companies in the world such as British cleantech company Pavegen and its kinetic energy tiles that turn each footstep into electricity.

([www.pavegen.com](http://www.pavegen.com))

**Leading Technology**

Through our European Headquarter in Berlin Germany we service governments with their tourism strategy, marketing and training needs.

**Global partnerships for Growth**

In Africa our team has for example taught the management of the largest telecom company MTN and Africa's largest online retailer Jumia how to improve corporate governance and how to innovate

**Academy - Leading Innovation**

We believe in the power of ideas, the American dream and that ultimately entrepreneurship and ideas change society and improve the world
